   [ ] Undergraduate [ ] Graduate [ ] First Professional (e.g., DVM, JD, MD, etc.)
   [ ] Degree Program [ ] Minor [ ] Certificate

2. Request change for:

3. Request submitted by (Department or Program Name):
   Information and Operations Management
   (e.g., B.A. in History, Minor in History, Certificate in European Union):
   BBA - Supply Chain Management

4. Brief description of change:
   We would like to remove SCMT 400 from the Major Coursework area and add the credit to the General Elective area.

6. Rationale for change:
   SCMT 300 and SCMT 400 currently fulfill the University Writing Requirement for BBA-SCMT students. Students will now fulfill this requirement with MKTG 321 (a core business course required of all BBA students) and SCMT 300. Thus, SCMT 400 is no longer needed. MKTG 321 holds the UCRT attribute, and SCMT 300 holds the UWRT attribute.

Use the checkboxes below to make sure that all information is included.

9. If proposed changes affect other unit(s), are letters of support attached?
   Yes [ ] No [ ]

IMPORTANT NOTE: Curriculum changes submitted through the approval process and fully approved by February (December-UCC/GC, January-Faculty Senate, February-President) will be effective in the next academic year. Changes requiring approval beyond the University should complete the internal approval process early in the fall semester whenever possible in order to ensure timely implementation.

Supply Chain Management - BBA

The Supply Chain Management major prepares students for careers in designing and managing the activities that deliver products and services to customers. Supply chain activities add direct value to the customer and thus, are extremely valuable to firms. This major produces graduates with strong analytical and problem-solving skills and the ability to work in and coordinate team activities. Graduates possess the business, technical, and leadership skills needed to meet the challenges of the rapidly evolving global marketplace.

Upper-level Entry Requirements and Application Procedures

Students who meet the University and college entrance requirements enter Mays Business School in the BUAD (lower-level business) classification. Enrollment of Mays Business School students in junior- and senior-level business courses is limited to those who have been admitted to upper-level (also referred to as upper division) in one of the seven majors (B.B.A.: accounting, business honors, finance, management, management information systems, marketing, and supply chain management) in the college.

The B.B.A. (accounting, business honors, finance, management, management information systems, marketing, and supply chain management) upper-level entry requirements and application procedures are as follows:

1. To be admitted to an upper-level major, a student must be admitted to Mays Business School and must have:
   a. Satisfactorily completed the following five courses:
      ACCT 229 Introductory Accounting
      ECON 202 Principles of Economics
      ECON 203 Principles of Economics
      MATH 141 Business Mathematics I (or its equivalent)
      MATH 142 Business Mathematics II (or its equivalent)
      
   b. BUAD students apply for upper level no later than the last class day of the semester before they expect to enter upper level.
   c. To enter upper level in the summer, all requirements must be completed by the beginning of the first summer session.
   d. Unless satisfactorily completed prior to upper-level entry, business students must successfully complete these three remaining lower-level Common Body of Knowledge (CBK) courses at Texas A&M during their first upper-level semester:
      ACCT 230 Introductory Accounting
      ISYS 210 Fundamentals of Information Systems
      MGMT 211 Legal and Social Environment of Business
   d. Students are encouraged to complete the freshman and sophomore sequence of courses as listed under Curriculum in Business. BUAD students may pre-register for upper-level business courses in the semester for which they have applied for upper level. However, BUAD students who fail to complete upper-level requirements prior to the start of the semester shall not be permitted to remain registered in upper-level business classes.

2. Transfer students: Transfer students admitted to Mays Business School will be classified as BUAD (lower-level Business) students until they complete all requirements listed previously in item 1, at which time they may apply for admission to an upper-level major of study. Transfer students may immediately apply for upper-level when admitted to Mays Business School if, and only if, they meet all upper-level requirements at that time.

3. Change of curriculum students: Texas A&M students who change curriculum into Mays Business School from another college or department at the University will be classified as BUAD (lower-level Business) students until they complete all requirements listed previously in item 1. Change of curriculum students who, when admitted to the business school, qualify to apply for admission to upper level may do so.

4. Preference for available seats in junior- and senior-level business courses will be given to students who have been admitted to a degree-granting major in Mays Business School. All ineligible students who pre-register for upper-level business classes are subject to cancellation of their registration in these courses.
