Other Business:

- Jean Layne from the Center for Teaching Excellence developed a new online resource to teach faculty how to develop measurable learning outcomes. The course is titled "[Learning Outcomes](#)." CTE currently has a link to the course available on the landing page of the [CTE website](#). Please use this resource material as you work with the faculty in your respective units to develop measurable learning outcomes for their course syllabi. If you have any feedback about the course, please send it directly to Jean (j-layne@tamu.edu).
- Report from the "Report from the Common Curricular Issues Task Force" (Sharon Dormire, Jim Herman, Angie Hill-Price, Melanie Moser)
- UCC standard operating procedures
- College-level curriculum committee operating procedures
- Elections for Chair and Vice-Chair positions
