The following courses were approved May 2020, pending updates. Updates were received and approved forward.

C26	Edited	ENGL 305	ENGL 305: Texas Literature	coppedgesarah	4/6/2020	Yes
C27	Edited	ENGL 374	ENGL 374: Women Writers	coppedgesarah	4/6/2020	Yes

The committee discussed the following under Other Business.

1. New Committee Members
 Sam Jefferis and Ellie Conrad - Student Representatives.

2. Consider NTFA for all new courses submitted through CARS.
 - a. Each new course added to course inventory would be approved as both traditional/non-traditional.
 - b. Approval of all courses would reduce the number of change requests needed over time.

Discussion was held and feedback was provided by several committee members regarding the positive and negative implications of considering NTFA for all new courses submitted through CARS. Based on the discussion, there was not enough support for making this adjustment to current processes. The UCC will continue with current practices. When a new course request comes through for approval, it may be specified for traditional only, non-traditional only, or both traditional and non-traditional. Each individual course will need to be submitted for approval.

For clarification and as a reminder, if a department/college wants to continue teaching a course (not NTFA) via remote delivery past Summer 2021, then they will need to submit the course for non-traditional approval for the Fall 2021 catalog and beyond.

3. Award Recognition
Texas A&M University Tradition of Excellence Award Recipient - Terra Bissett.

4. Agenda item review/comments deadline

Committee requested for calendar invite to be sent to all committee members as courtesy reminder of agenda review/comments deadline for the hour leading up to the noon deadline on the Wednesday prior to Friday UCC Meetings.
