## 1. Fall 2021 COVID Syllabus Statement

- <https://facultysenate.tamu.edu/Quick-Links-Minimum-Syllabus-Requirements>

### COVID Syllabus Statement for Fall 2021

The following *optional* syllabus statement on the value of vaccinations and masking was developed by the Executive Committee of the Faculty Senate and approved by the Administration on August 18, 2021:

To help protect Aggieland and stop the spread of COVID-19, Texas A&M University urges students to be vaccinated and to wear masks in classrooms and all other academic facilities on campus, including labs. Doing so exemplifies the Aggie Core Values of respect, leadership, integrity, and selfless service by putting community concerns above individual preferences. COVID-19 vaccines and masking – regardless of vaccination status – have been shown to be safe and effective at reducing spread to others, infection, hospitalization, and death.
